Summary

I have 20 years experience in television, radio and video production working as a writer, producer, interviewer and on-air talent. Eight of those years I covered entertainment at the ABC affiliates in Columbus and Cleveland, Ohio as well as hosted my own morning talk show. For several years I also worked as an entertainment reporter at the CBS affiliate KMOV-TV in St. Louis, Missouri. I have also worked as a freelancer on both television and radio in St. Louis as an entertainment reporter/film critic. For the last year, I have worked as the host and producer of a radio talk show in St. Louis, Missouri.

Work History

2013-2014 Presently, I am working as the host/producer of a two hour radio talk show on 1380 The Woman in St. Louis, Missouri.

2010-2013 I worked as a film critic for the Frank O. Pinion show on KTRS radio in St. Louis, Missouri. I also worked as a contributor on various television stations in St. Louis including KPLR-TV's 4:00 newscast.

1993-1998 Entertainment Reporter for WEWS-TV in Cleveland, Ohio this included interviewing film stars in Los Angeles and New York, doing movie reviews and writing and producing features on local entertainment.

1989-1993 Entertainment Reporter for KMOV-TV in St. Louis, Missouri this also included interviewing film stars and writing and producing pieces on area events and entertainment.

1987-1989 Talk Show Host for an hour long morning show for WSYX-TV in Columbus, Ohio. This included interviewing film stars, cooking segments and writing and producing segments for the show.

1985-1987 News Reporter for WEWS-TV in Cleveland, Ohio writing and producing news stories for the 5 and 6 p.m. news casts.

1982-1985 News reporter and anchor for the NBC affiliate in Dayton, Ohio in this position I wrote and produced news stories for the evening news cast and anchored the weekend news

1980-1982 News anchor, reporter, writer and producer for the NBC affiliate in Clarksburg, West Virginia in this position I wrote and produced pieces for the evening news and anchored the noon news.

EDUCATION: Bachelor of Science Degree in Broadcast Journalism for Bowling Green State University.
